## Freshmen Class

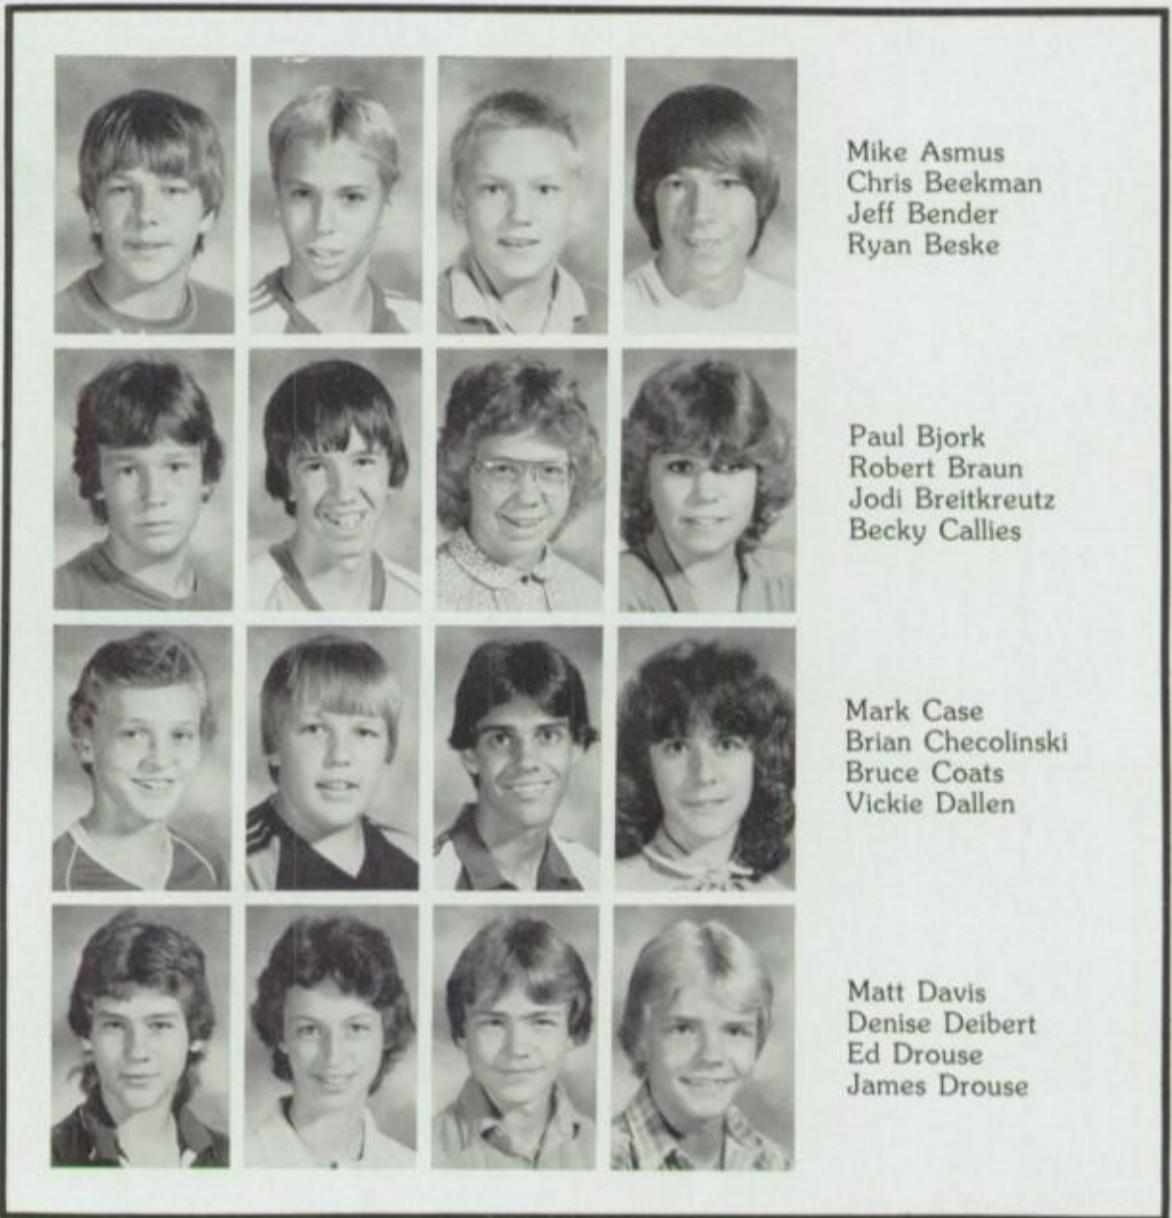

Our first year of high school was a great opportunity to meet new people from the other schools and also the upper classmen.

The first few weeks were the hardest. Trying to find the right classes on time was a real challenge. Walking around the halls in a rectangle before school was also something that took a little getting used to.

Soon, many of us became interested in the different activities high school has to offer.

1. Doug Miller and Jackie Keup, like many students, take typing their freshmen year.
2. Lynette Denicoken prefers to carry her own music.
3. Laura Katzman and other freshmen in Social Studies

As we started our sophomore year, we realized we were no longer the "little freshmen" we used to be. We liked not being the youngest kids in school anymore and we anxiously looked ahead to the coming year. We elected Jeff Learman as our president, Lisa Krueger as our vice-president, and Cathy Cundy as our treasurer-secretary.

After the elections, we got busy on Homecoming. We worked hard together and finished a strong second in the festivities.

One of the biggest events of our sophomore year was ordering our class rings. Although selecting them was hard, waiting for them to be delivered was even harder.

## Sophomores

One of the biggest thrills of being a sophomore was turning sixteen and learning to drive. We eagerly tackled driver's ed. and studied hard to pass the written test, impatiently waiting to conquer behind-the-wheel.

All of these events and activities helped us to realize how fast the years were going. Already we were beginning to look ahead to our next two years of high school. We began raising and saving money as we knew the time for our own prom would soon be upon us.

1. Smile Mark Bass!
2. Jeff Eveland is ready for another day.
3. Mr. Meyer and a sophomore gym class.
4. Robin Pierce and Toni Laizure take a break.

The Horicon High School Band, under the direction of Mr. Hugh Cain, again had a very active year. Many parades and shows were on the agenda for the band, including a successful competition in Whitewater resulting in first place.

At home, the band entertained many during their half-time shows at football games. Performances were given at the Homecoming pep rally, as well as the annual Christmas concert.

Fundraising was also a part of the band's activities. Band members sold "spirit" seat cushions, as well as making and selling pizzas.

The Band Council played a big role in finding ideas for fundraisers and other activities. The Council also handled publicity for concerts and other upcoming events. Council members include:

## Baseball

The 6-4 record was almost good enough to win the Flyway Conference. Laconia and Oakfield tied for the title with 7-3 records. Many of the games we played were very close and with more hitting we could have won some of those ball games. We did not have as many seniors as in the past giving us the leadership at the plate.

We had a very good second half of the 1983 season because of the players who were sophomores and freshmen. I hope these players will continue their efforts the next two to three years to provided leadership to our incoming freshmen players.

## Tri-Arts

HHS students were again given a chance to show their skills and talents in the annual Tri-Arts festival. On the evenings of May 19, 20, and 21 of 1983, artwork and music filled the gym. The Madrigals entertained the visitors with selections from "Annie" and "Guys and Dolls". The band also performed on all three evenings.

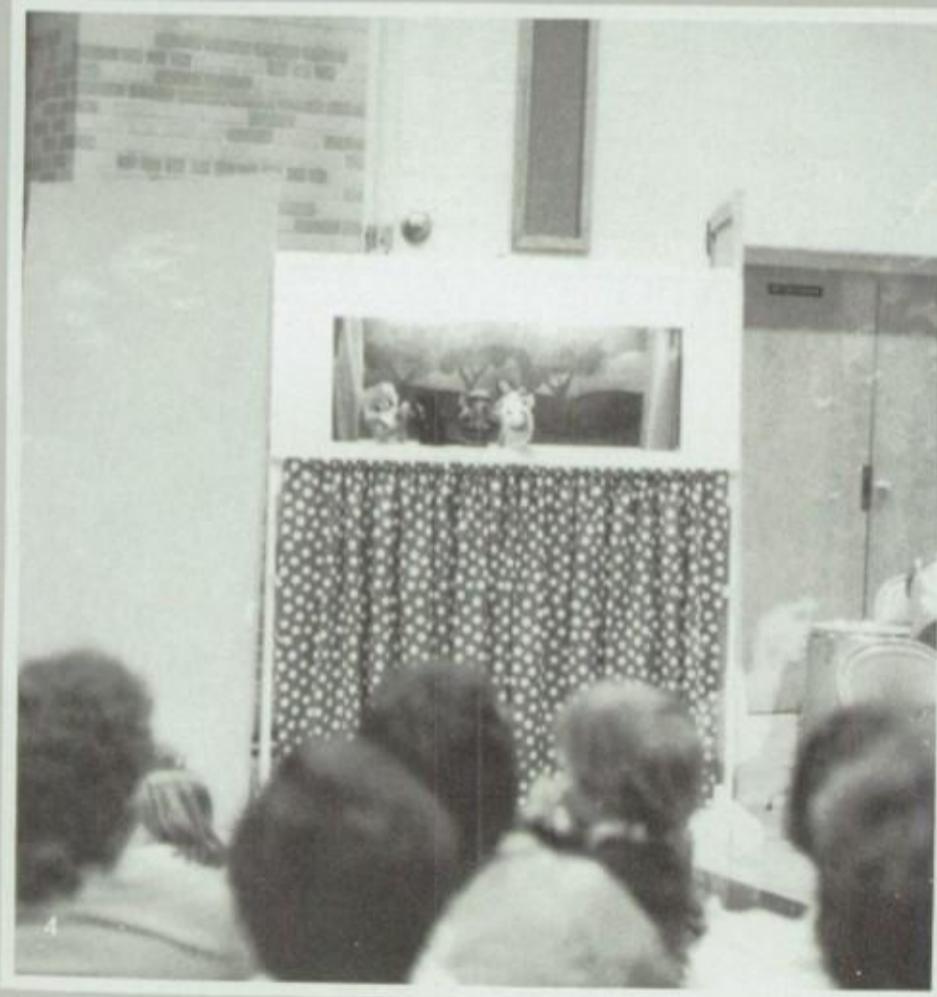

The Interpretive Theater and Play Acting groups

performed their forensics pieces, and drama students entertained with their puppet shows.

2. "The Next Contestant".
3. Mr. Cain directs the band.
4. Drama Club members put on a puppet show.

# Enchanted Island

An "Enchanted Island" set the stage for Prom '83. Through the hard work of the Junior class and the leadership of chairperson Sue Zirbel, the gym became a special island paradise, with its own water-fall and palm trees.

Couples danced to music by "Meridian" and later to the music of "Syndrome" at Post Prom. King Norman Dessart and Queen Sherri Kruel were crowned at 10:30 and led the court in dancing to the theme song "Faithfully".

1. The Royal Prom Court: Princess Noel Tessenske, King Norman Dessart and Queen Sherri Kruel, Prince Eric Pahl, Greg Matter and Sandy Schwandt, Brian Golesh and Robyne Ritchart, Brian Wendorff and Sharon Schulze, Wade Gritt and Lisa Lien, Darrin Brantmeier and Darra Samplawski, Steve Cundy and Jill Muenchow.

2. The Prince and Princess relax after the Grand March.

3. Formal dress and suits didn't hide the fun and enthusiasm of this group.

4. Brian Golesh entertained with a few songs.

5. Couple danced to the theme song "Faithfully".

Cathy Ramirez (1) came to HHS this year from Durango, Mexico. As a Rotary Exchange student, she was able to share a bit of Mexico with Horicon as well as learn about everyday life in the U.S. Cathy lived with three host families, including the Leonards, Petersons, and Liens.

Two Horicon students also took part in the Rotary program and traveled to new countries and schools. Tammy Scola (2) left in March for a year in Tuluá, Colombia and Jeanette Frei (3) spent her junior year in Santa Cruz, Bolivia. Both gained a taste of travel and culture.

# Homecoming '83

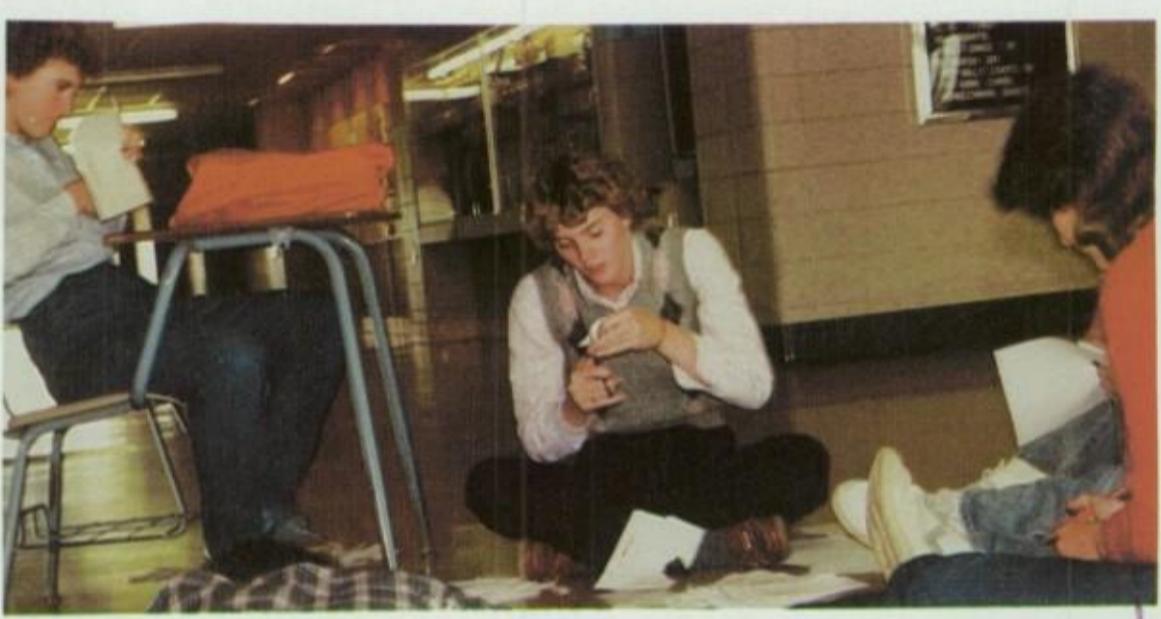

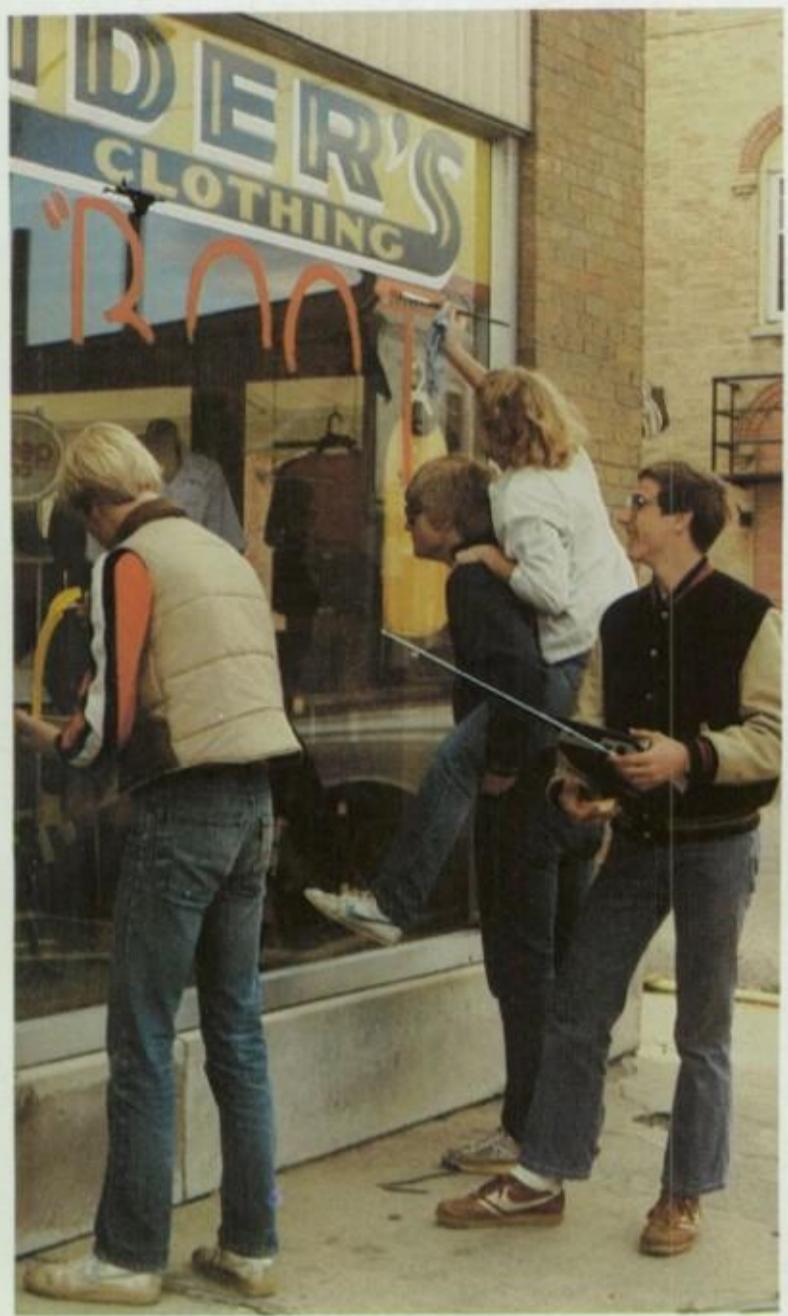

Homecoming '83 took on many new changes and aspects. But the spirit and enthusiasm for the week were still as strong as ever.

The Student Council again sponsored Homecoming. Many hours were put in to preparing and organizing the activities of this busy week.

The week was kicked off energetically on Monday, October 10, with punk day. The fun continued throughout the week with Hawaii day, T-shirt and tie day, clash day, and orange and black day.

As the week progressed, each class pulled together as the competition for participation and the Spirit Stick grew stronger. Although the sophomores kept the contest close, the seniors came out on top each day with the biggest percentage of participation.

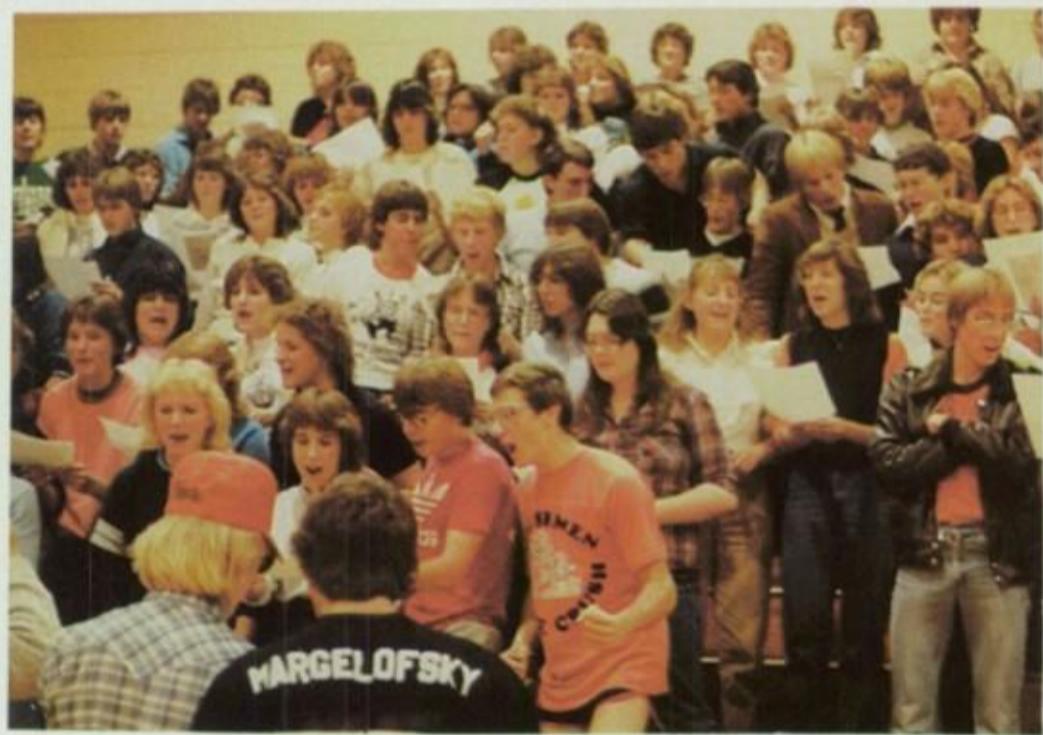

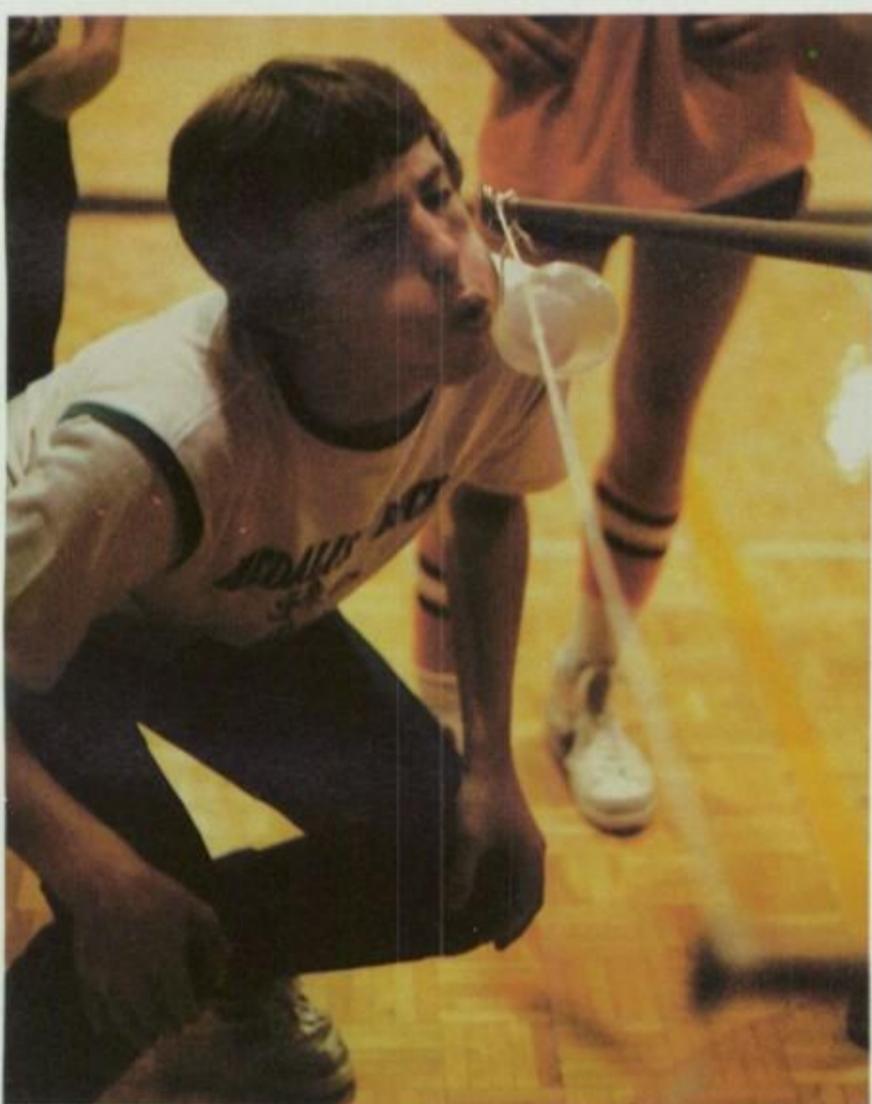

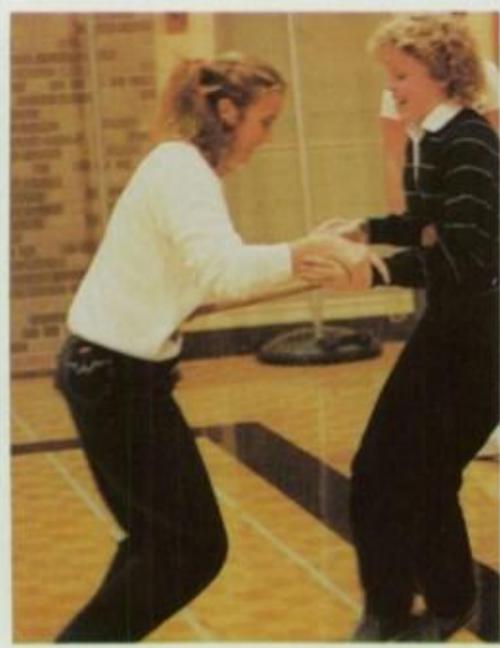

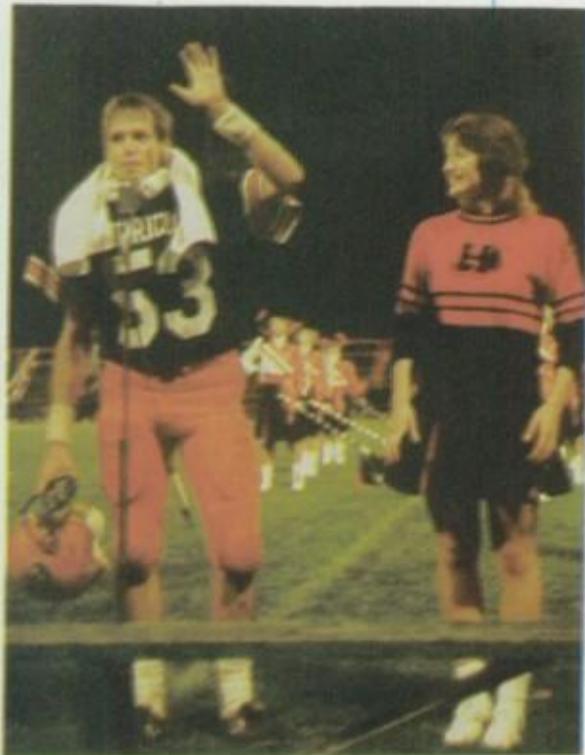

Students channeled their talent and energy into getting the town and school into the Homecoming spirit. The Student Council and cheerleaders painted the windows of many stores downtown and also decorated the school's front hall.

Each class competed in decorating their own windows and hallways at school, with the seniors taking first place in the hall decorations and the juniors winning the window decorating.

Following a great performance by the band, cheerleaders, and Student Council, the classes competed in games. Students tried their luck at volleyball games, the plunger race, cup blowing, and the orange pass.

**Homecoming Court** included Queen Lisa Koepsell and King Ted Frank, in the front, Greg Matter and Sandy Schwandt, Lisa Lien and Steve Cundy, in the middle, Kris Kaepernick and Carl Miskimen, Lisa Krueger and Steve Triggs, Laura Katzman and Chad Brendemuehl, Krista Calhoun and Jerry Traughber, Sherri Kruel and Norman Dessart, Amy Spittel and Wade Gritt, DeEtta Piper and Kurt Krueger, along the back.

Friday night was the biggest night of the week. Even though the Marshmen found themselves on the losing side of the game, spirits were still running high. After an awesome half-time show by the HHS band, colorguard, and cheerleaders, the King and Queen were introduced with their court. It was also announced that the seniors had won the Spirit Stick, with the sophomores taking second place.

After the game students, parents and alumni were invited to attend the dance. Music was provided by "Jukebox", and since the dance was after the game many more parents and alumni felt welcome to enjoy the music and dancing. This made for a larger turnout than those of the past few years.

Can six college girls manage a formerly abandoned hotel for a week? The answer came on the nights of March 30, 31 and April 1 as HHS students presented the 1984 all-school play.

E. Cope's "The Invisible Man" brought to life the experiences of these girls and the mysterious events that accompanied their college assignment. The play was directed by Miss Kessenich and student assistant Wade Gritt. The cast included:

Hamilton - Wade Gritt  
Linda - Kari Midtbo  
Gertrude - Linda Wagener  
Karen - Diana Fry  
Susie - Karen Peterson  
Paige - Ellen Apple  
Roberta - Sue Zirbel  
Jack Griffin - Brian Golesh

Jane Beasley - Kim Walker

Have you ever had an Oklahoma hello? The curtain was raised on November 4, 5, and 6 to bring the sweeping plains, waving wheat, and friendly hello's of "Oklahoma!" to HHS.

The cast of "Oklahoma!" brought to life the romance of Curly McLain (Jon Gregg) and Laurie Williams (Linda Wagener) as well as the lively antics of Ado Annie (Kari Midtbo), Will Parker (Carl Miskimen), and Ali Hakim (Mark Bell). The feisty Aunt Eller (Sue Zirbel) and Jud Fry (Don Braun) helped to combine the music and story of "Oklahoma!" and make the HHS 1983 musical a success.

Under the direction of Mr. Ritter and Mrs. Krahn, the cast enlivened such favorites as "Oh, What a Beautiful Morning", "Many a New Day", and "The Farmer and the Cowman". Choreography by Mrs. Phillips made the dancing another important part of "Oklahoma!".

The cast, as well as stage, sound and lighting crew members gave the audience an Oklahoma hello to remember.

# Winterfest

Winterfest '84 added a week of warmth to the cold and gray weather of winter.

Several events, including games, days, arm-wrestling, and obstacle courses filled the week. Classes competed in these events and worked to win the Winterfest Snowman.

The sophomores led the competition during much of the week, but the seniors kept the race close by winning the banner contest and placing well in the obstacle course and arm-wrestling matches.

The sophomore class was named the winner of the Snowman, with a 20 pt. margin above the seniors. The winner was announced at the Winterfest Dance on Saturday.

The doors of HHS opened for us for the first time in the fall of 1980. With the opening of these doors came many new and different opportunities. We chose Mike Bischoff as our President, Linda Wagener as Vice-President, Lisa Lien as Secretary, and Wade Gritt as Treasurer.

We soon became involved in sports, band, and Homecoming activities. Some of us tried out for the musical "Carousel," and the all-school play "Pride and Prejudice."

Winterfest was a new thing for us as freshmen. Robyne Ritchart and Amy Firehammer were our choices for court.

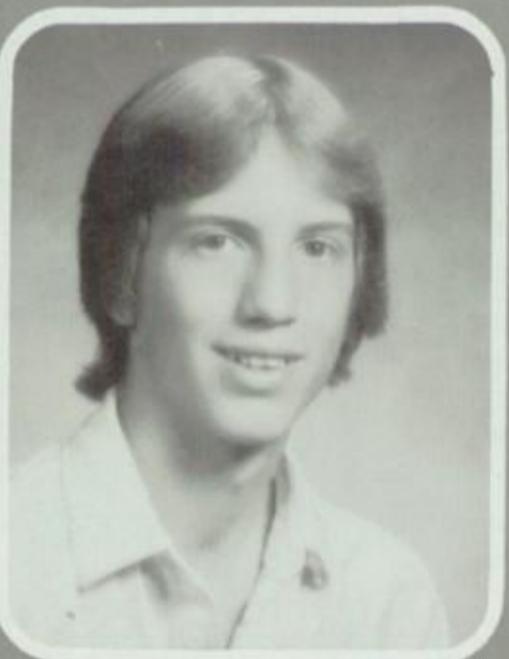

As our freshmen year drew to a close, we saw our class becoming closer and more enthusiastic.

With our sophomore year came decisions and even more opportunities. Class President Lisa Lien, Vice-President Russ Eberle, Secretary Jerry Traughber, and Treasurer JoAnn Ewert helped us in these decisions, including the selection and ordering of our class rings.

Many of us participated in the musical "Anything Goes" and the all-school play "Guess Who's Coming to Earth Tonight." We eagerly took on sports, and as sophomores were able to experience playing on a JV team. Throughout the year, we waited impatiently to receive our driver's licenses.

Darra Samplawski and JoAnn Ewert were our choices for Winterfest Court, and Darra was also voted to represent our class as Winterfest Queen.

As juniors, we saw more doors at HHS open to us as upper-classmen. Under the leadership of President Wade Gritt, Vice-President Darra Samplawski, Secretary Lisa Koepsell, and Treasurer JoAnn Ewert, we met the challenge of the other classes in the Homecoming activities and rallied to win the Spirit Stick.

Our next project was turn our gym into an "Island Paradise" for our Junior Prom. Sherri Kruel and Norman Dessart reigned over our Prom as King and Queen, as couples danced to the theme song, "Faithfully." The time put in by Prom Chairman Sue Zirbel and many hard workers in our class helped to make our Prom a success.

Our senior year had much in store for us. We realized we were doing many things for the last time in our high school lives, but at the same time we enjoyed being the oldest class in school.

With the help of President Brian Golesh, Vice-President John Mutka, Secretary Kim Walker, and Treasurer Jill Muenchow, we were once again named the winners of the Spirit Stick at Homecoming. King Ted Frank and Queen Lisa Koepsell, along with a court of ten couples, reigned over the last Homecoming Dance of our high school years.

One by one, we turned eighteen and became aware that the future was fast coming upon us. We decided on our class colors, motto, and song, knowing that these reminders would soon be special memories of our years at HHS.

## \* Special

January 30 through February 3 was Drug Awareness Week at Horicon High. The student body was informed about drugs, alcohol, and chemical dependency. Students were motivated to participate by buttons that bore the slogan, "Get High On Life, Not Drugs."

February 23 was a special day in Horicon. Governor Anthony Earl was the guest of honor at John Deere's "Something Special from Wisconsin". The day was proclaimed "Day of the Governor", and Governor Earl spoke to the citizens and then christened a caravan of thirty trucks loaded with one day's shipment of John Deere products.

Many of the things that happened in 1983-84 dealt with invasions and war. The U.S. Marines were in Beirut working as peace-keepers and the U.S. embassy there was bombed by terrorists, leaving many wounded and killed. The Marines were pulled out of Beirut in February by President Reagan. Grenada was also in the news as U.S. Marines occupied the island in early December. A South Korean 747 airliner was shot down by Soviets, leaving no survivors and

269 dead. Menachem Begin resigned in Israel, Lech Walesa of Poland won the Nobel Peace Prize, missiles were deployed in Europe, Russia broke off talks, and anti-nuclear movements in Europe caused a nuclear freeze drive in the U.S. Soviet leader Yuri Andropov died in February after only fifteen months in office.

Rock groups such as The Police and Duran-Duran played for sold-out concerts in Madison and Milwaukee during February. As for music, Michael Jackson's "Thriller" topped the charts, and songs such as "Safety Dance", "Photograph", and "Metal Health" will long be remembered. MTV (music television) grew in popularity as videos became a house-hold word.

# Quality never goes out of style

At John Deere Horicon Works we take pride in building quality products. That's the philosophy behind each piece of equipment we build. And that code of quality is your assurance of getting the best lawn and leisure equipment money can buy.

Before any John Deere product goes into production, prototype machines are subjected to months of stress testing. Each model

is rigorously tested for performance, safety, comfort and durability. It's tested again and again, until we're satisfied it will live up to the demands of our customers.

So before you put down your hard-earned money for a lawn tractor, riding mower, lawn and garden tractor, tiller, snow blower or snowmobile, visit the John Deere dealer nearest you.

# An End . . . A Beginning . . .

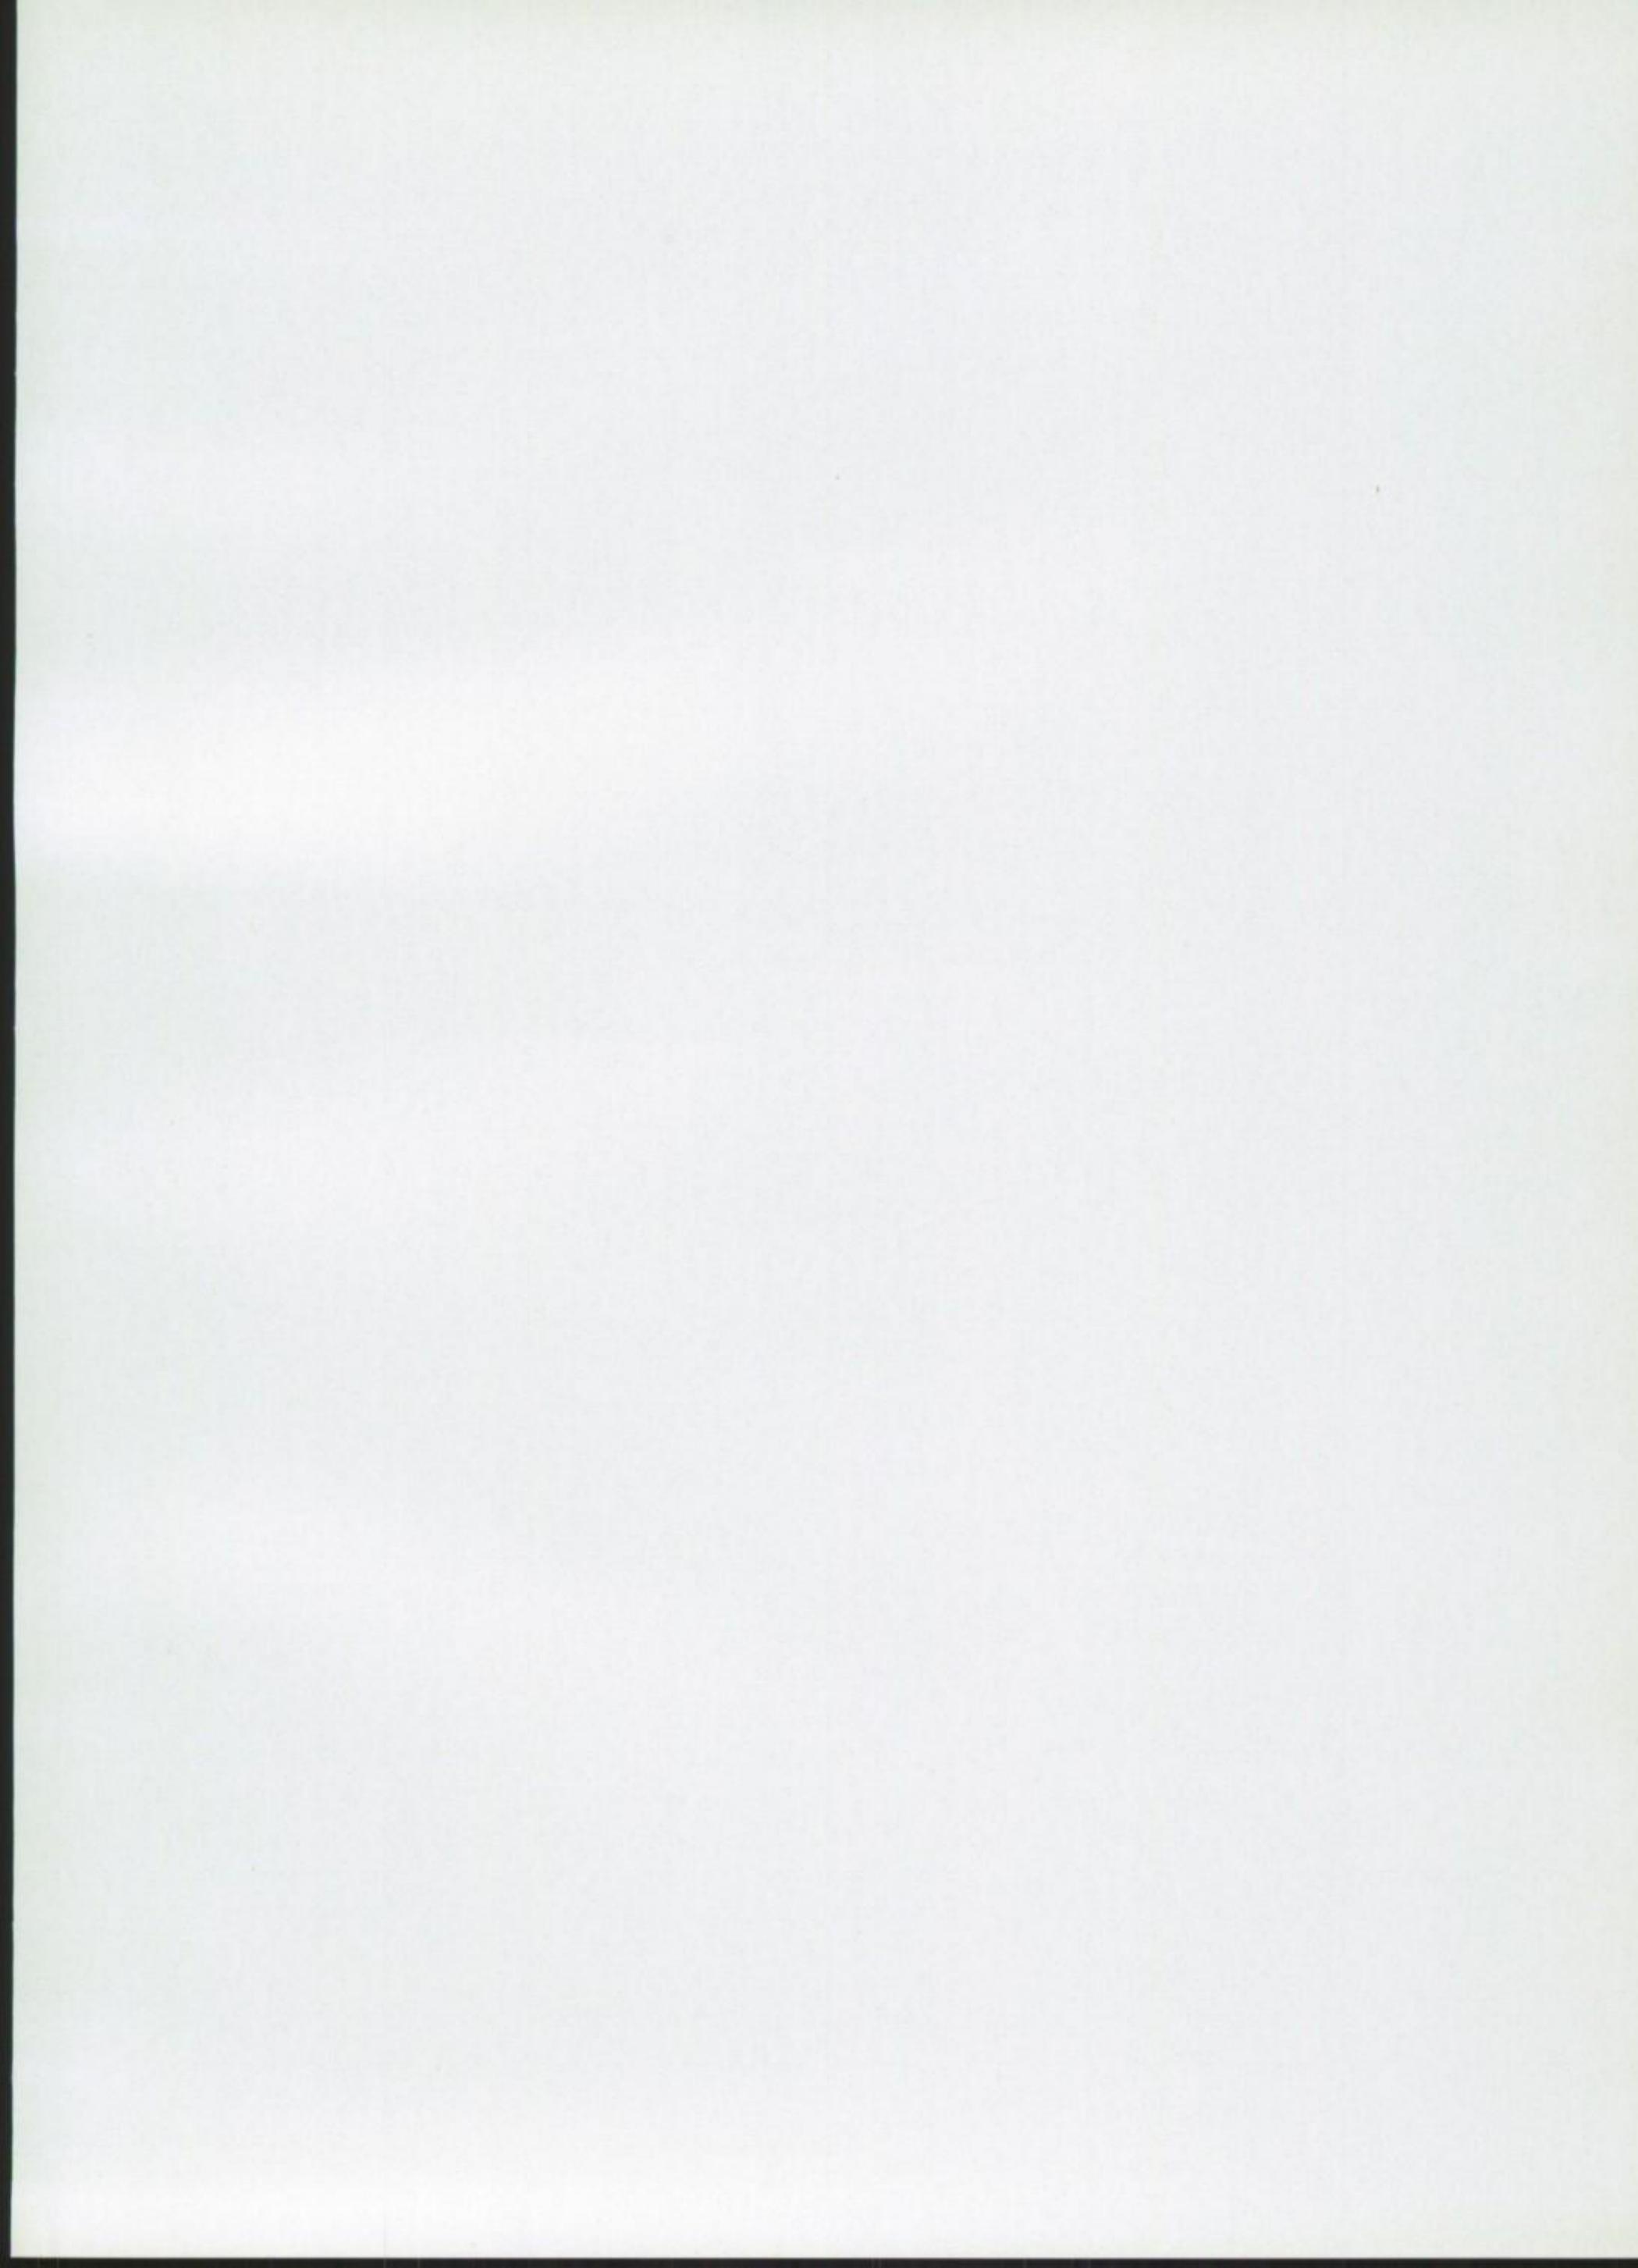

With the passing of the camera, another year begins. New photographers, new film, and new ideas signify the passing of time.

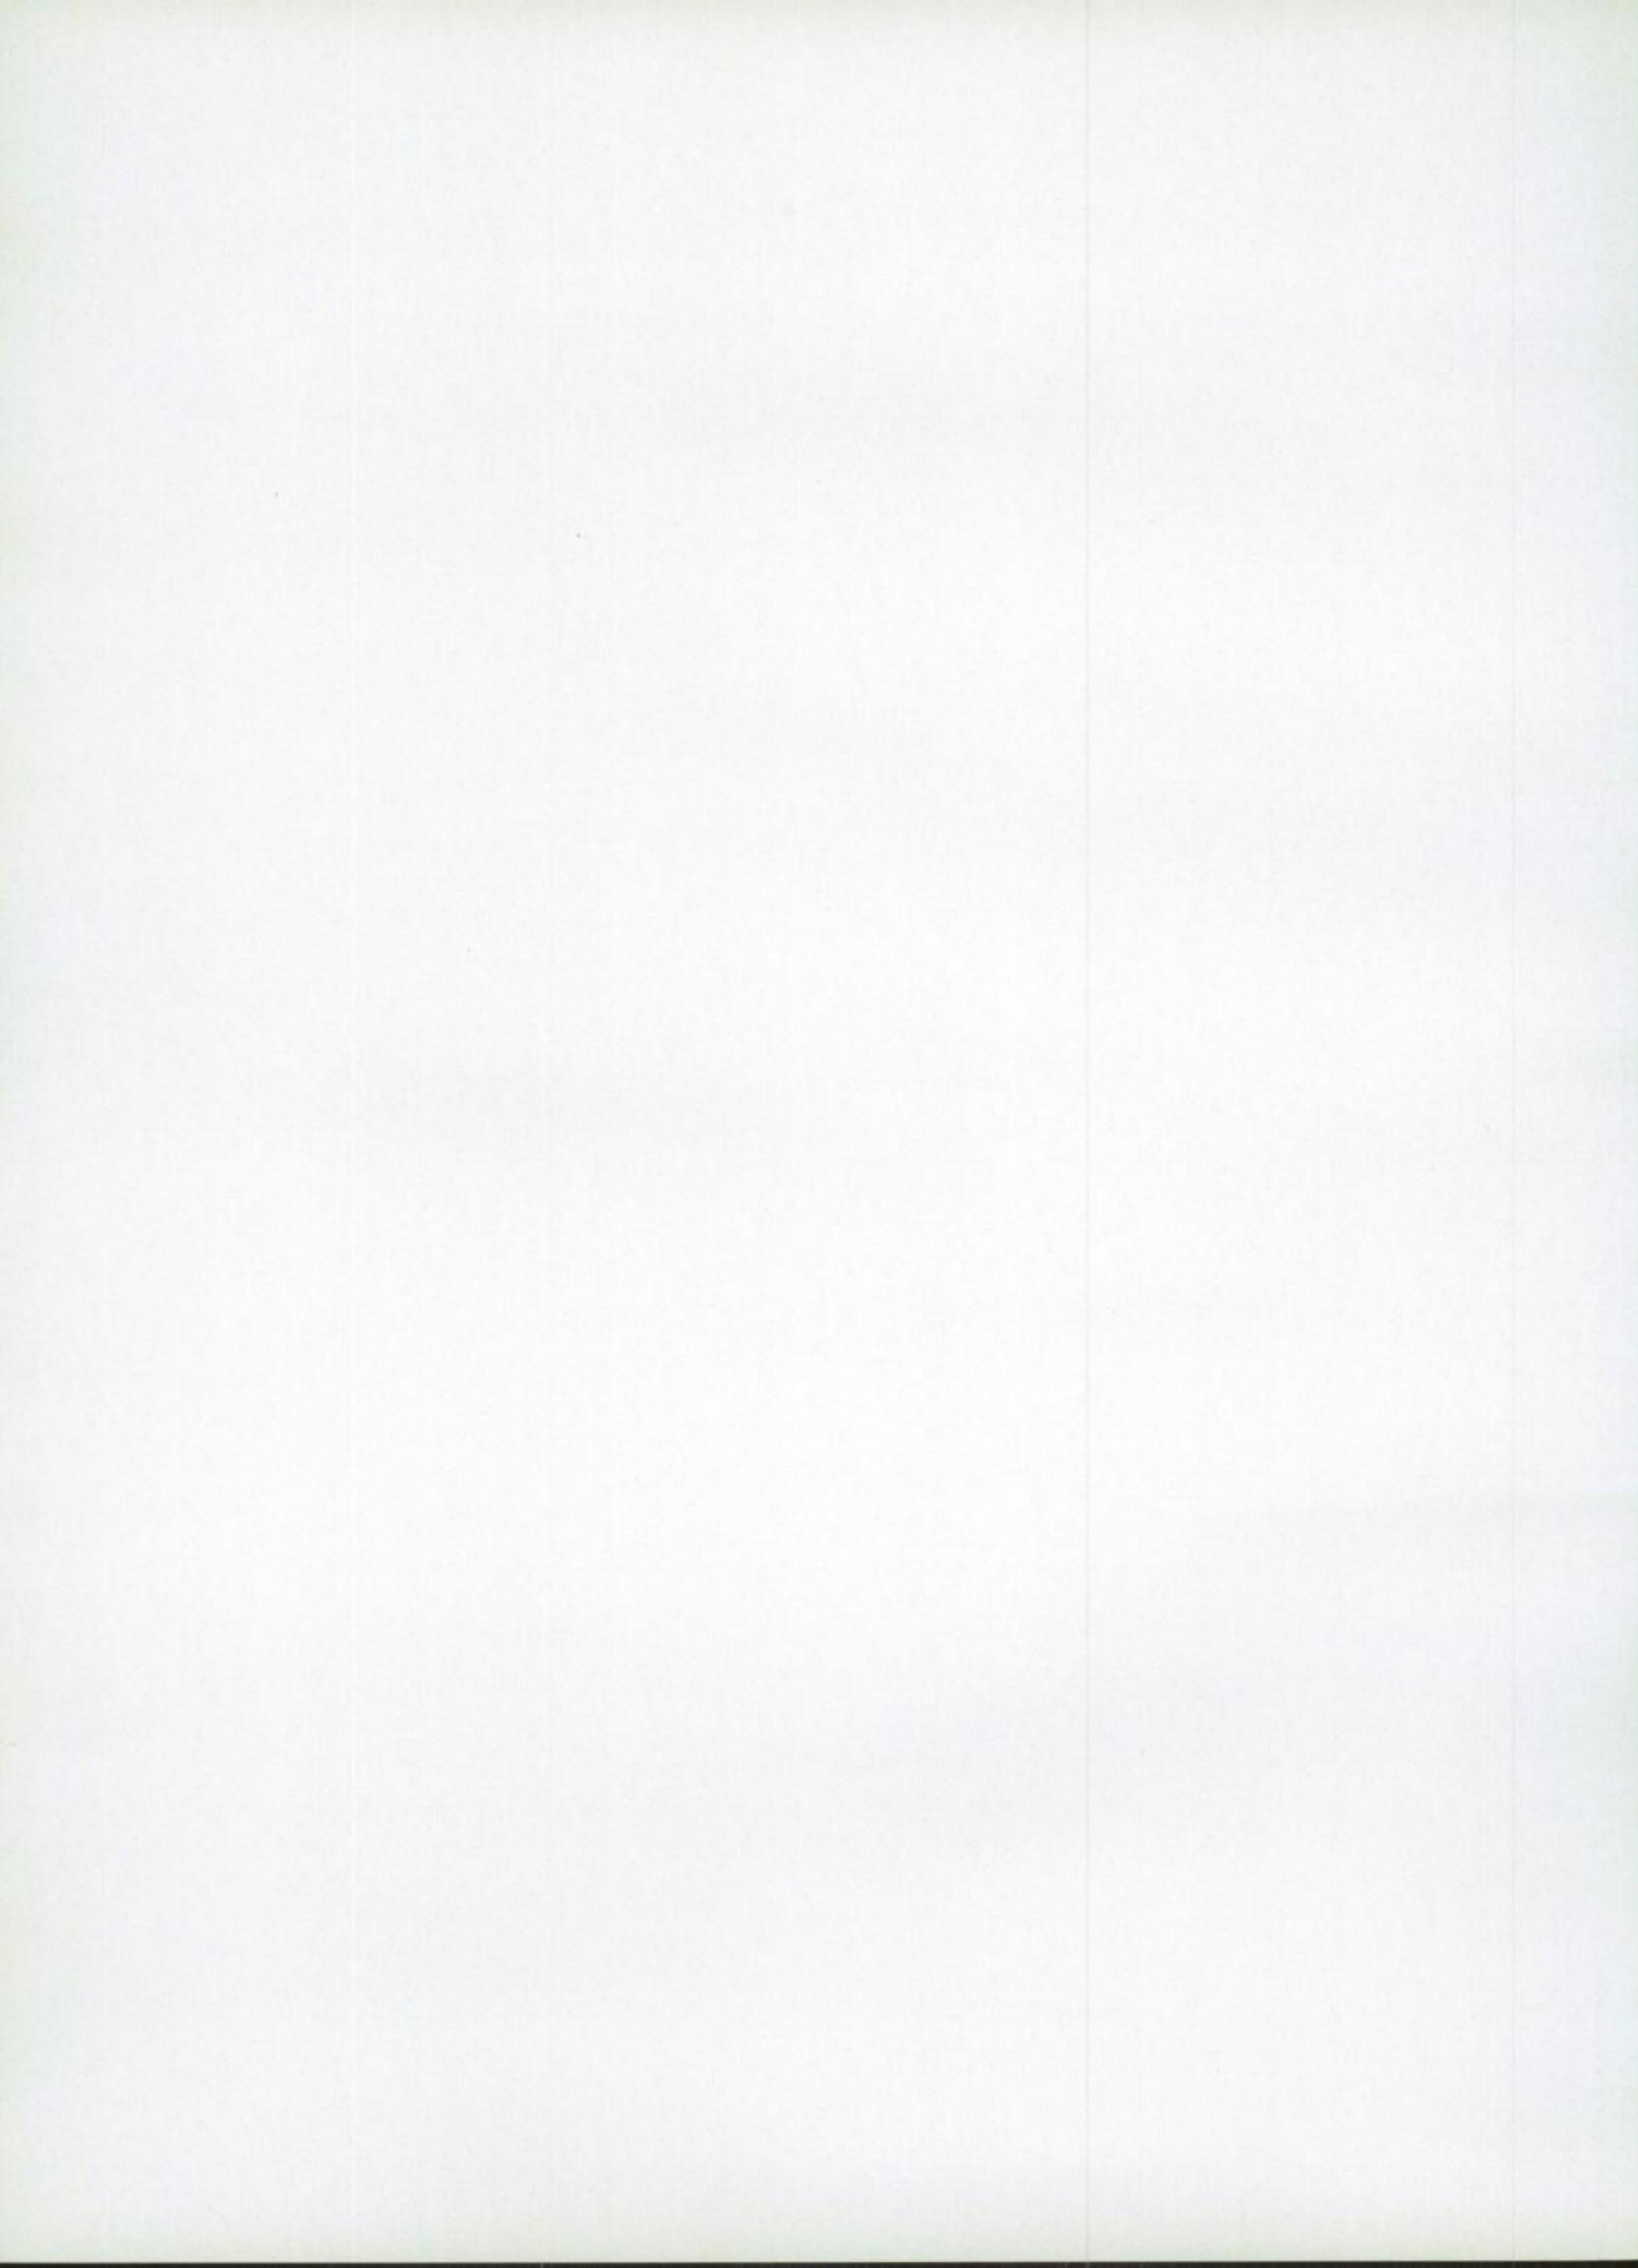

For the seniors, the reminders captured here will be the memory of HHS. For the underclassmen, the camera now turns to focus on memories and times to come.
